CAPABILITY STATEMENT

About CyberStrike

CyberStrike is a workforce solutions partner dedicated exclusively to the public sector. We support the DoD, intelligence community, federal agencies, and commercial GovCon partners to recruit the security cleared talent needed to win and deliver government contracts. We're custom built for the public sector - fast, reliable, and clearance-driven. We deliver talent across all clearance levels - from Public Trust to Top Secret / SCI and Full Scope Polygraph. We cover the full tech and engineering spectrum, including positions in - but not limited to - the following disciplines and areas:

Electrical Engineering / Mechanical Engineering / Data & AI / Intelligence (eg SIGINT, GEOINT & HUMINT) / Cybersecurity / Software Development / Systems Engineering / IT Operations / Executive & Strategic

Why Federal Contractors Work with Us

GovCon is high-pressure, fast-moving, and complex. We get it - and we're built to keep up. We're experts at:

- Sourcing rare, highly cleared talent
- Meeting urgent deadlines and task orders
- Navigating labor categories and contract terms
- Finding mission-focused professionals who deliver

W2, 1099, C2C or contract to perm - one hire or a full cleared team - we move fast, get it right, and guarantee results.

What Makes Us Different

- **100% GovCon Focused** - Serving only the DOD, IC, federal agencies and commercial GovCon partners.
- **Fast Results** - +90% of roles filled in under 10 days.
- **Lower Fees** - 20-70% below typical agency rates, with no compromise on quality.
- **Flexible Delivery** - Contingent or retained TA augmentation options.
- **Trusted & Ethical** - Members of the American Staffing Association (ASA), delivering cleared talent the right way.

CAGE CODE: 9VM30 I

UEID: FJVRV3P6BTG7

KAI Solutions (2022-present)

Client: Specialist engineering practice

Project: DDG-X advanced propulsion systems program for the USN

Result: Placed 5 secret-cleared engineers in power electronics, control systems, and cybersecurity positions. Supported secure systems integration and helped meet key DoD milestones.

Vigilant Cyber Systems (2024-present)

Client: Specialist cybersecurity & pen-testing consultancy

Project: DoD testing through the USAF's 48th Cyber Test Group (48th CTG) and the USN's Operational Test & Evaluation Force (OPTEVFOR).

Result: Delivered senior software developers and red teamers to enhance offensive cyber testing and secure software development.

CyberStrike provides certified, security-cleared professionals with experience in local, state, and federal agencies, the DoD, the IC, and their commercial supply chains.

We deliver security-cleared talent - from Public Trust to TS/SCI and FSP - for the GovCon sector. CyberStrike is backed by an actively maintained and extensive network designed exclusively for government projects.

We provide rare and highly sought-after skills across the full technical and engineering spectrum, delivering exceptional cleared talent that drives mission success, i for government and industry.

CyberStrike is a full-service recruiting partner providing W2, 1099, C2C and contract to perm staffing solutions for public sector projects that require niche technical profiles and hard-to-find security clearances.
